SKILLS:

[Partner Sinensis Capital SCR](#)

Mayo de 2011 – Actualidad

First Accelerator Venture Fund in Spain, 12,6mill€ for accelerator, seed and serie A investments.

[Cofounder Business Booster SL](#)

Noviembre de 2010 – Actualidad (3 años)

Business developer and Starting Up at Business booster accelerator. Specially focusing on media collaborators, startups selection process, institutional and investors relationship.

[Director General de Inversiones Dinamica Construcción](#)

Mayo de 2008 – Marzo de 2011

As Investments General Manager, I got information of new business opportunities on commercial and industrial real estate. Once we receive demand from commercial, logistic or industrial company, we work with them to offer a complete construction solution; we find the right location, optimize the project of the new placement, make the construction works and finally give them bright new finished installations.

We are geographically focused on Spain, Portugal and North Africa.

[Business Developer and Investment Analyst Coperfil Real Estate](#)

Octubre de 2003 – Mayo de 2008

As a department responsable at Valencia office, I coordinated operations on commercial Real Estate Investments. Primarily on Hotels and Office market.

[Chief Architect A+E Arquitectura](#)

Octubre de 2001 – Octubre de 2003

[Architect Collaborator SOUTO MOURA arquitectos Lda](#)

Septiembre de 1999 – Agosto de 2001

As an architect collaborator at SOUTO MOURA office, developed since the beginning different projects. Working mostly coordinating Braga Stadium west wing project for soccer European cup 2004. Project that has achieved most of the biggest prices on architecture.
